PRICING BASED ON 75% EMBROIDERY, FOR 100% ADD 15%(A). Size is determined by adding the length and width and divide that sum by 2. Round up to the next 1/2". Always use the longest and widest points to calculate size. The size of a circular emblem is calculated using the diameter. Sew-on backing is standard, optional methods of application include: iron on, adhesive back, Velcro® or plastic backing. See bullets at left for pricing.
